

ELECTRONIC FUNDS MANAGEMENT POLICY

STATEMENT OF COMMITMENT

Cobram Secondary College believes every student deserves a safe and positive learning experience where they are engaged and supported to reach their full potential.

The College adheres to the principles of Australian democracy and takes into account the diversity of all children and makes reasonable efforts to accommodate them. This includes (but is not limited to) the needs of Aboriginal and Torres Strait Islander children, children from culturally and linguistically diverse backgrounds, children with disabilities, children who identify as lesbian, gay, bisexual, transgender, intersex and questioning (LGBTIQ) individuals, and children who are vulnerable.

The College is committed to creating a child safe environment protecting children from all forms of abuse and neglect.

PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

SCOPE

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Cobram Secondary College via the methods set out in this policy

POLICY

Cobram Secondary College has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls of the Finance Manual for Victorian Government schools](#).

Implementation

- Cobram Secondary College school council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).
- Cobram Secondary College school council approves the use of Bank Australia Internet Banking as the approved software for all internet banking activities as individual authority and security tokens are required.

- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Cobram Secondary College school council will determine how refunds will be processed and any refunds processed through the EFTPOS terminal will be recorded in a refund register.
- Cobram Secondary College will undertake maintenance and upgrading of hardware and software as required.
- Cobram Secondary College will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

- The Principal of Cobram Secondary College, will ensure all staff operating the merchant facility are aware of security requirements.
- School council minutes must record which staff are authorised to process transactions.
- No “Cash Out” will be permitted on any school EFTPOS facility.
- Cobram Secondary College will EFTPOS transactions via telephone or post.
- Cobram Secondary school council has approved a minimum refund amount of \$10 and a maximum refund amount of \$200.

Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school’s account
- A direct debit facility allows an external source to a pre-arranged amount of funds from the school’s official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Cobram Secondary College will ensure adequate funds are available in the Official Account for the “sweep” of funds to the supplier.

Direct Deposit

- Cobram Secondary College utilises a “two user authorisation of payments” banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.
- The various internal controls that need to be considered include:
 - the identification of staff with administrative/authorisation responsibilities
 - the identification of payment authorisers (The Principal and Assistant Principal)
 - the allocation and security of personal identification number (PIN) information or software authorisation tokens
 - the setting up of payee details in CASES21
 - the authorisation of transfer of funds from the official account to payee accounts

- alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

BPay

Cobram Secondary College school council will approve in writing the school council's decision for the utilisation of BPAY.

Payments made by BPay are subject to the same requirements as for all transactions relating to accounts such as:

- purchase orders
- tax invoices/statements
- payment vouchers
- signed screen prints and payee details
- relevant CASES21 reports etc.

This includes a requirement for the principal to sign and date BPay transaction receipts attached to authorised payment vouchers.
