Parent/Carer Bulletin

Term 2 Week 9 2026

Every Student Matters, Every Staff Member Cares, Every Opportunity Taken, Every Student Succeeds

From the Principal:

As we reach the end of another busy and successful term, I would like to thank our students, staff and families for their ongoing support of Cobram Secondary College. While the term is drawing to a close, next week marks the beginning of our Semester 2 HeadStart program. This is an important opportunity for students to meet their new teachers, begin new subjects and establish positive routines for the semester ahead. We encourage all students to make the most of this valuable transition time.

Next week, our H2GP team—Koby, Cameron and Jackson, will also travel to Switzerland to represent Australia at the Hydrogen Grand Prix World Finals. This is an extraordinary achievement and a testament to their dedication, innovation and teamwork. On behalf of our entire school community, we wish them every success as they compete against some of the best student teams from around the world.

Families can follow the team's progress and watch the race live via the H2GP YouTube channel. We encourage everyone to get behind the team and cheer them on as they showcase the talent and potential of rural Australia on the world stage.

Have a safe and enjoyable break, and we look forward to welcoming students back for an exciting Semester 2.

Upcoming events / key dates

Monday 22nd June	Start of semester 2 Ensemble Performance evening - 7pm in W6

SEMESTER 2 CHANGE OF SUBJECT

Students in Years 9-12 are commencing their new Semester 2 subjects in Week 10. Students with valid reasons for needing to change subjects can submit a change of subject request form to Year 9 & 10 Team Leader Adam Hughes or Year 11 & 12 Team Leader Michelle Anderson. Forms need to be submitted by the end of the day Friday 17th July (Week 1 Term 3) for requests to be considered.

YEAR 9&10 REWARDS DAY

Selected students in Years 9&10 will be attending the rewards day event at Cobram Cinema on Wednesday 24th. Year 9&10 classes are planned to run for students not attending the event but may be combined depending on numbers on the day.

SUBJECT SELECTION PROCESS

In Term 3 the Subject Selection process will be starting. Students will have access to the Subject Selections website early in the term to see the subjects on offer in 2027. In weeks 4 and 5 students will then be given the opportunity to select their preferences for 2027.

INDIVIDUAL PATHWAYS INITIATIVE

The Year 9&10 Sub-School are looking to implement further support for students who may be disengaged from school and considering a transition to full-time or part-time employment. Information related to the Individual Pathways Initiative will be presented Monday to selected Year 9&10 groups during week 10 and provided to parents/carers via Compass. Please reach out to Adam Hughes for more information.
