Every Student Matters, Every Staff Member Cares, Every Opportunity Taken, Every Student Succeeds

From the Principal:

Athletics Day & What's Coming Up

What a day! Tuesday's athletics carnival was a genuine highlight of the term — the student attitude and behaviour on display was something to be proud of, and we had a ball watching it all unfold. The winning house team will be announced at our next assembly, so stay tuned!

Looking ahead, our subject selection process is about to commence. Teams will visit classes over the coming weeks to support students through their selections — more detail on dates and what's involved is below.

And finally, a reminder that cold and flu season is well and truly here. If your child is unwell, please keep them home to rest and recover — we'd rather see them back at school healthy than pushing through.

Teaching and Learning - Subject Selection

2027 Subject Selection

The 2027 Subject Selection process has started. Next week, students in Years 8 to 11 will attend an information session in class with their Pathways Team, where they will learn about the new process for 2027 and have the opportunity to select their preferred subjects.

Students absent on the day will be offered a catch-up session with their Pathways Team.

Students then have until **Friday 14 August (Term 3, Week 5)** to finalise their choices. As the process is now online, students will be able to show their choices to parents/carers at home, discuss them, and make changes before the closing date.

Pathways Teams:

- Year 8 (2026) into Year 9 (2027) — MHE, CMD, MHA
- Year 9 (2026) into Year 10 (2027) — MHE, AHU, MHA (including 9/10 Literacy classes)
